North Sumatran Fair is an annual event that has never missed a year since 1972. It is held for a full month to commemorate the anniversary of North Sumatra Province, taking place from the second week of March to the second week of April. Various booths in the exhibitions are offering handicrafts and products from various Sumatera regencies/cities. There are also other intriguing exhibitions such as automobiles. Participants from other provinces and countries are also participating, such as Penang, Malaysia. This event is always packed with visitors from various Sumatran regions and provinces, including Aceh, Riau, and West Sumatra.
