

# THE HISTORY OF LOVINA BEACH

There are no clear sources or evidence hit the name of Lovina genesis. Pursuant to the reference of the children from Anak Agung Panji Tisna, the clan of famous Buleleng King that the name of Lovina is given by him which is located in Kaliasem countryside, where at the first time he build a bungalow as a resort. He said that the name of Lovina is taken away from a name of small hotel in India that is lafeina whereabouts he stayed and write the book with the title of Ni Ketut Widhi.

In memory of the hotel name, hence the ownership lands give the Lovina name. But there is also other version that is Lovina Name is given caused by its 2 Santen trees are planted by him and grow embracing each other. In this case Lovina is coming from Latin Language that mean is loving each other or love. Then Lovina's name is interpreted as abbreviation from Love and Ina and it is interpreted as Love to Indonesia .
